

HiQ Connect User Manual

Overview

HiQ Connect is a vendor portal designed to simplify the quotation and procurement process between HiQ and its vendors.

Through this platform, vendors can:

- View RFQs (Requests for Quotation) shared by HiQ
- Submit quotations for required materials
- Track the status of submissions
- View purchase orders issued to them

The portal is designed for vendor participation only. All evaluation, approval, and purchase decisions are managed by HiQ through their internal system.

HiQ

The dashboard gives a quick summary of your RFQs, bids, and purchase orders. It helps you track important updates and take timely action.

Key Sections

KPIs (Key Metrics)

RFQs Expiring Soon– RFQs that are nearing their closing date

PO Count – Total purchase orders received

Bids in Progress – RFQs you have started but not yet completed

Bids Won– Bids that have been accepted

RFQs to Respond

This section shows RFQs that are **currently active and within the submission window**.

These are RFQs:

- That have not yet reached the closing date
- Still available for you to submit your quotation

Tabs

- **New** – RFQs not yet opened
- **In Progress** – RFQs you have started working on

RFQ Table Details

Each RFQ includes:

- **RFQ No** – Unique reference number
- **Closing Date** – Last date to submit your quotation
- **Expected Delivery Date** – Required delivery timeline
- **Payment Term** – Payment conditions
- **Mode of Delivery** – Transport method

Important Indicators

- **"Today"** – RFQ closes today (high priority)
- **"2 days / 3 days"** – Time left to submit

Tips

- Prioritize RFQs closing soon
- Regularly check "In Progress" items
- Submit quotations before the deadline

The dashboard features a header with the HiQ Connect logo and a user profile icon. Below the header, there are four summary cards: '5 RFQs Expiring Soon' (2 closing today), '13 PO Count' (Total purchase orders), '0 Bids In Progress' (No bids closing today), and '5 Bids Won' (Total accepted bids). These cards are highlighted with a red border. Below the cards is a decorative banner with illustrations of a warehouse, a gavel, a handshake, and a building. The main section is titled 'RFQs to Respond' and includes a filter bar with 'New 6' and 'In Progress 0' tabs, also highlighted with a red border. A search icon is on the right. Below the filter bar is a table with the following data:

RFQ No	Closing Date		Expected Delivery Date	Payment Term	Mode of Delivery	Delivery Term
